** Please NOTE:

"Gluten-Friendly" means that our facility does not have a true Gluten-Free area for preparation of these items (we're just too small!). So persons with a gluten-sensitivity are advised that cross-contamination with wheat flour is likely, and proceed with caution. Those with any form of CELIAC condition should avoid everything in this shop except for bottled beverages and any pre-packaged items that are appropriately designated "Gluten-FREE."

2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutrition information is available upon request.
